- (3) Cognizant officials of the Department make final determinations on all audit findings.
- (c) Action on audit exceptions—(1) Concurrence or clearance. The State agency has the opportunity of concurring in the exceptions or submitting additional facts that support clearance of the exceptions.
- (2) Appeal. Any exceptions that are not disposed of under paragraph (c)(1) of this section are included in a disallowance letter that constitutes the Department's final decision unless the State requests reconsideration by the Appeals Board. (Specific rules are set forth in §430.42.)
- (3) Adjustment. If the decision by the Board requires an adjustment of FFP, either upward or downward, a subsequent grant award promptly reflects the amount of increase or decrease.

§ 430.35 Withholding of payment for failure to comply with Federal requirements.

- (a) Basis for withholding. HCFA withholds payments to the State, in whole or in part, only if, after giving the agency reasonable notice and opportunity for a hearing in accordance with subpart D of this part, the Administrator finds—
- (1) That the plan no longer complies with the provisions of section 1902 of the Act; or
- (2) That in the administration of the plan there is failure to comply substantially with any of those provisions.
- (Hearings under subpart D are generally not called until a reasonable effort has been made to resolve the issues through conferences and discussions. These may be continued even if a date and place have been set for the hearing.)
- (b) Noncompliance of the plan. A question of noncompliance of a State plan may arise from an unapprovable change in the approved State plan or the failure of the State to change its approved plan to conform to a new Federal requirement for approval of State plans.
- (c) Noncompliance in practice. A question of noncompliance in practice may arise from the State's failure to actu-

ally comply with a Federal requirement, regardless of whether the plan itself complies with that requirement.

(d) Notice and implementation of withholding. If the Administrator makes a finding of noncompliance under paragraph (a) of this section, the following rules apply:

(1) The Administrator notifies the State:

(i) That no further payments will be made to the State (or that payments will be made only for those portions or aspects of the program that are not affected by the noncompliance); and

(ii) That the total or partial withholding will continue until the Administrator is satisfied that the State's plan and practice are, and will continue to be, in compliance with Federal requirements.

(2) HCFA withholds payments, in whole or in part, until the Administrator is satisfied regarding the State's compliance.

§430.38 Judicial review.

- (a) Right to judicial review. Any State dissatisfied with the Administrator's final determination on approvability of plan material (§430.18) or compliance with Federal requirements (§430.35) has a right to judicial review.
- (b) *Petition for review.* (1) The State must file a petition for review with the U.S. Court of Appeals for the circuit in which the State is located, within 60 days after it is notified of the determination.
- (2) The clerk of the court will file a copy of the petition with the Administrator and the Administrator will file in the court the record of the proceedings on which the determination was based.
- (c) *Court action.* (1) The court is bound by the Administrator's findings of fact if they are supported by substantial evidence.
- (2) The court has jurisdiction to affirm the Administrator's decision, to set it aside in whole or in part, or, for good cause, to remand the case for additional evidence.
- (d) Response to remand. (1) If the court remands the case, the Administrator may make new or modified findings of fact and may modify his or her previous determination.

§430.40

(2) The Administrator will certify to the court the transcript and record of the further proceedings.

(e) Review by the Supreme Court. The judgment of the appeals court is subject to review by the U.S. Supreme Court upon certiorari or certification, as provided in 28 U.S.C. 1254.

§ 430.40 Deferral of claims for FFP.

- (a) Requirements for deferral. Payment of a claim or any portion of a claim for FFP is deferred only if—
- (1) The Regional Administrator or the Administrator questions its allowability and needs additional information in order to resolve the question; and
- (2) HCFA takes action to defer the claim (by excluding the claimed amount from the grant award) within 60 days after the receipt of a Quarterly Statement of Expenditures (prepared in accordance with HCFA instructions) that includes that claim.
- (b) Notice of deferral and State's responsibility. (1) Within 15 days of the action described in paragraph (a)(2) of this section, the Regional Administrator sends the State a written notice of deferral that—
- (i) Identifies the type and amount of the deferred claim and specifies the reason for deferral; and
- (ii) Requests the State to make available all the documents and materials the regional office then believes are necessary to determine the allowability of the claim.
- (2) It is the responsibility of the State to establish the allowability of a deferred claim.
- (c) Handling of documents and materials. (1) Within 60 days (or within 120 days if the State requests an extension) after receipt of the notice of deferral, the State must make available to the regional office, in readily reviewable form, all requested documents and materials except any that it identifies as not being available.
- (2) Regional office staff usually initiates review within 30 days after receipt of the documents and materials.
- (3) If the Regional Administrator finds that the materials are not in readily reviewable form or that additional information is needed, he or she promptly notifies the State that it has

15 days to submit the readily reviewable or additional materials.

- (4) If the State does not provide the necessary materials within 15 days, the Regional Administrator disallows the claim.
- (5) The Regional Administrator has 90 days, after all documentation is available in readily reviewable form, to determine the allowability of the claim.
- (6) If the Regional Administrator cannot complete review of the material within 90 days, HCFA pays the claim, subject to a later determination of allowability.
- (d) Effect of decision to pay a deferred claim. Payment of a deferred claim under paragraph (c)(6) of this section does not preclude a subsequent disallowance based on the results of an audit or financial review. (If there is a subsequent disallowance, the State may request reconsideration as provided in paragraph (e)(2) of this section.)
- (e) Notice and effect of decision on allowability. (1) The Regional Administrator or the Administrator gives the State written notice of his or her decision to pay or disallow a deferred claim.
- (2) If the decision is to disallow, the notice informs the State of its right to reconsideration in accordance with 45 CFR part 16.

\$430.42 Disallowance of claims for FFP.

- (a) Notice of disallowance and of right to reconsideration. When the Regional Administrator or the Administrator determines that a claim or portion of claim is not allowable, he or she promptly sends the State a disallowance letter that includes the following, as appropriate:
- (1) The date or dates on which the State's claim for FFP was made.
- (2) The time period during which the expenditures in question were made or claimed to have been made.
- (3) The date and amount of any payment or notice of deferral.
- (4) A statement of the amount of FFP claimed, allowed, and disallowed and the manner in which these amounts were computed.
